

Privacy Policy

By using the web-pages available from the domain and sub-domains of www.geocomforkids.eu (hereinafter collectively referred to as “our website”) or by providing information to GeoCom for Kids (including and not limited to the case of providing information via email to apply for special offers) you declare to fully understand and accept this Privacy Policy and the GeoCom for Kids Terms of use.

GeoCom for Kids reserves the right to modify this Privacy Policy at any time. The changes shall go into effect when the revised Privacy Policy is posted on our website. By continuing to use our website and/or by continuing to send information, you declare to fully understand and accept the revised Privacy Policy.

GeoCom for Kids respects the privacy of the users that get in touch with GeoCom for Kids and does not purposely share your personally identifiable information.

When you visit our website, you provide information related to the use of the website which may be collected by GeoCom for Kids, together with your IP address, for system administration purposes. In addition, GeoCom for Kids may store certain information from your browser using “cookies”. The information gathered is used to analyze trends and administrate the website. IP addresses are not linked to personally identifiable information and may be used to gather broad demographic information for aggregate use, except in the case of fraud.

Cookie preferences are normally set within each browser's Internet options. You may delete cookies from your PC and you may filter or block incoming cookies adjusting the privacy parameters from your browser's Internet options. While the specific steps to be taken may change depending on the browser in use, all browsers may allow you to adjust those preferences.

Moreover, you can opt out of a third-party vendor's use of cookies by visiting the Network Advertising Initiative [opt-out page](http://www.networkadvertising.org/managing/opt_out.asp) (http://www.networkadvertising.org/managing/opt_out.asp)

GeoCom for Kids does not purposely collect or share the personally identifiable information of the users visiting our website.

GeoCom for Kids reserves the right to share aggregated demographic information with its partners and/or advertisers and/or affiliates and/or providers. Such information will not be linked to personal information that identifies users.

Our website contains links to other websites. GeoCom for Kids is not responsible for the privacy practices of such websites.

Through our website, you can watch videos hosted by third parties that may collect your information when you play the videos. GeoCom for Kids is not responsible for the privacy practices of such third parties.

The privacy statements contained in this document apply solely to information collected by GeoCom for Kids.
